NOVEMBER MIDWEEK RUN – HEREFORD HOP

Please note that this starts from the Market Square, Bromyard, 9.30 for 10.00am start. This is another Richard Caddick route, the coffee stop is at the Nest Café (HR8 2PZ) on the A438 Ledbury to Hereford road near the Verzons Hotel and the lunch stop is at the Salutation Inn in Weobley (HR4 8SJ). Tea stop is at the Burford House Gardens near Tenbury. Fairly short run, total 45 miles to lunch, 24 miles to tea stop.

COMMITTEE MEMBERS

Rex Mather, our deputy chairman, resigned from the committee last month. Rex joined us from the Northampton section many years ago and was responsible for introducing the Tour of Worcestershire Fords and the Girder Fork Run/Cotswold Meets. We thank Rex for his services to the section. We are pleased to confirm that Richard Caddick has agreed to join the committee.

RUN START POINT

It has been suggested that for next year all runs that presently start from the Bell should start from the Mayfly Café at the Cob House which has access to the café and toilets. We have now had four responses – all in favour, so your committee has democratically decided to go ahead with this change for 2018.

2018 PROGRAMME

Your committee has put together another year's ambitious programme of events. Following on from the successful introduction of Sunday Breakfast Meets we have included two Breakfast Meets on Thursdays. The VMCC will be producing the 2018 Calendar of Events and these will again be sent to section secretaries for distribution at club nights.

MALVERN CLASSIC MOTORCYCLE SHOW

We had our usual stand there and ten members displayed their bikes. In spite of the small numbers we still managed to scoop the runners up award in the Best Club Stand class. LOST PROPERTY – Found on our stand when the dedicated band of helpers were clearing up – ¼ square drive, 3/16 A/F socket.

OCTOBER SPEAKER

John Bradshaw's talk about the 1939 ISDT held in Austria just prior to the outbreak of World War 2 was very good and well received by those present. Afterwards he emailed me to compliment us for being such an interested and responsive audience. The venue was much improved by the removal of the partition, hopefully this will be done for future club nights.
