## RUNS

Pleased to report that we finished off the 2017 riding season with two great, well supported runs. Pete Howells' Ride to the Moon had 12 riders to the lunch stop and Richard Caddick's November midweek Hereford Hop attracted an amazing 26 riders. Thanks to both for organising these runs and we look forward to more well supported runs in 2018.

## RUN START POINT

Don't forget that for 2018 onwards all runs that presently start from the Bell will start from the Mayfly Café at the Cob House which has access to the café and toilets. We will still use the Bell for our regular club nights.

## ANNUAL GENERAL MEETING

Please note that the AGM of the Worcestershire section will be held on Monday 12<sup>th</sup> March at the Bell Inn, Lower Broadheath, 7.30 for 8.00pm. Please note that any items for inclusion on the agenda must be submitted to the chairman, secretary, or any committee member on or before the February club night (Monday 12<sup>th</sup> February). Please bring your VMCC membership card in case voting is required on any issue.

## THE SYD PLEVIN TROPHY

Many congratulations to chairman Roy Lambert on being awarded this prestigious trophy awarded annually by the VMCC for outstanding work within a section of the club. I am sure all will agree that this is richly deserved by Roy who has been our hard working and hands-on chairman since the section's formation in March 1995.

## 2018 PROGRAMME

Your committee has put together another year's ambitious programme of events. Following on from the successful introduction of Sunday Breakfast Meets we have included two Breakfast Meets on Thursdays. The VMCC will be producing the 2018 Calendar of Events and these will again be sent to section secretaries for distribution at club nights.

## FISH AND CHIP SUPPER

This will be on the February club night at the Bell. The cost will be £5.50, Chairman Roy Lambert will collect the money at the January club night.
